PRAGATI RESORTS  
Hyderabad

Come,  
Explore Nature ...

# *Tranquility in the Lap of* Nature

A tranquil space, far from the hustle and bustle of the city, Pragati Resorts is located on 2500 acres of land, surrounded by 25 lakh plants and more than 800 varieties of medicinal herbs. The Resort's facilities are spread over 85 acres and include

Cottages all set in the midst of nature. As a destination of joy, Pragati Resorts caters to the most demanding and varied tastes of tourists, corporate, organisations and family groups.

With an emphasis on rejuvenation, relaxation and recreation, Pragati is the ideal place to reconnect with nature. It is the preferred destination of international

full-fledged amenities such as banquet halls, an open air theatre, open-air auditorium, a multi cuisine restaurant and a swimming pool in addition to recreational areas, a golf course, play grounds, herbal gardens and a luxurious spa with state of the art facilities.

The eco-friendly and bio-friendly Pragati Resorts can accommodate 225 guests in luxurious Villas, Lagoons and

conventions, corporate events, company retreats and family celebrations. Our infrastructure is designed to capably cater to large groups and small gatherings alike.

Pragati Resorts promises a memorable experience in a nature-friendly, mosquito free environment.

We welcome you to Pragati.
